**DISTRICT OF NEVADA**

MARCUS SHARIF MCNEAL,

Petitioner

v.

BRIAN E. WILLIAMS, et al.,

Respondents

Case No. 2:16-cv-01618-JAD-EJY

**Order Granting Petitioner's  
Motion to Extend**

[ECF Nos. 84, 87]

Petitioner Marcus Sharif McNeal moves for an extension of time to file his declaration regarding how he intends to proceed on Ground III, his unexhausted claim.<sup>1</sup> On October 13, 2021, McNeal requested a 30-day extension of time to file his declaration.<sup>2</sup> On November 1, 2021, McNeal filed a motion to proceed *pro se* as well as a motion to refile his amended petition, which remain pending.<sup>3</sup> McNeal now requests an extension of time to file his declaration until after a decision on his motion to proceed *pro se* is issued.<sup>4</sup>

Good cause appearing, McNeal's motion to extend [ECF No. 87] **IS GRANTED**, and his first motion to extend [ECF No. 84] **IS DENIED as moot**. I will provide a new deadline for McNeal's declaration regarding how he intends to proceed on Ground III upon issuance of a ruling on McNeal's motion to proceed *pro se*.
